

HIS CHURCH IS THE BRIDE OF JESUS

According to Ephesians 5:23 what is Jesus' relationship to the Church?

How does verse 30 describe our relationship to Jesus?

HIS CHURCH IS THE HOUSEHOLD OF GOD

Ephesians 2:20 describes Christ as the Cornerstone, how does it describe us?

IT'S TIME TO ALIGN

I believe that when people meet us, the Church, it should be like meeting Him, the Head. We need to remember that we represent Him and everything He stands for.

In 1 John 4:17 how does this verse say that we live?

When you think about your daily life, are there things that immediately spring to mind as things that make us, and therefore Jesus, unattractive?

CHURCH WELCOME

If you are on the church welcome team, you need to realise what an important job you have. You are most often the first point of contact for people coming to your church for the first time; that's a big responsibility. People are going to make their first assumption of what your church is like by your welcome. For many their first experience of God will be the welcome they get from you as they step into God's house.

Imagine you were stepping into a Church for the first time, how do you think you would feel? What would you expect, and what would you be hoping for?
